

OH THE HORROR!

ages 10 & up

Ghosts stories anyone? Is Halloween one of your favorite times of year? Then this one is for you. In this workshop we will explore all things SCARY. From startlingly scary short scripts, to silly “made you jump” ghost stories, we will have something all can enjoy. During the week we will learn about special effects makeup, spooky sound effects and music, and at the end put together a hauntingly fun show for an invited audience of friends and family. By the way... what is that standing behind you? Boo! (Back by Popular Demand, but different each year!).

CAMP HOLLYWOOD

ages 8 and up

Have a budding diva on your hands? Then Camp Hollywood is for them! In this workshop we will explore scenes from movies and TV, create a music video, develop a talk show or reality show, play with hair and makeup (including wigs, mustaches, colored hair extensions, and more!), get headshots done with a fashion photo shoot, and on the last day, walk the red carpet and enjoy an award show party. Fun-filled and sure to let everyone feel like a shining star!

THE MYSTERIOUS WORLD OF ALBERTA HIGGINS

ages 9 and up

So who exactly IS Alberta Higgins? We don't know yet! What we do know is that there is a mysterious box filled with mysterious things (of which you must find out what they all mean), people have disappeared, and there might have even been a (gasp!) murder that needs to be solved. And during this week, a story will be written unlike any other, where YOU decide the meaning of everything as we plan and create a mystery masterpiece of a play to be acted out on the last day for an invited audience of family and friends. Will Alberta make an appearance? Or is she the one who disappeared? Hmmm
