

CAMP BROADWAY

ages 9 & up

Always a huge hit! New York City comes to RVA! With scripts and music from some of Broadway's most popular shows, (musicals and plays). Whether you like *Dear Evan Hansen*, *Hamilton*, *Wicked*, *Phantom of the Opera*, *The Little Mermaid*, *Mary Poppins*, *Annie*, *Hairspray*, *Newsies*, *Beauty & The Beast*, *The Lion King*, *Grease*, *The Music Man*, *Cats*, *Les Miserable*, *Cinderella*, *Pippin*, *Mean Girls*, *Legally Blonde*, or other shows past and present, we have scenes and music from ALL of them and more! During this week we will put together a Broadway style revue (based on **YOUR** choices) complete with scripts, songs, choreography and costuming and then be ready to perform the last day "On Broadway!" for an invited audience of family and friends. *For those who like to sing **and** for those who don't, We have something for everyone. Every summer is different!! This is one of our most sought after and popular workshops so register early since space is limited.*

WORLD OF WIZARDRY!

ages 9 & up

Magic! Wizards! Adventure! Calling all lovers of all things Harry Potter! It's time to head to platform 9 3/4 for summer camp. Once there you will be sorted into your house, choose your wand, create scenes as your favorite book and movie characters for Professor McGonagall's acting class (or create new ones!), make potions and learn charms, participate in house game challenges, and have fun while trying to escape the clutches of "he who shall not be named". What could be better? Especially since, **No Muggles Allowed!**

LET'S PUT ON A SHOW!

ages 8 and up

Are you creative and like to make up stories or scenes? Then this is the one for you! In this workshop YOU get to build a play from start to finish. Be a playwright, a director, an actor, choose lighting, sound (music if you want), and costumes, learn how to sell a show with original posters and programs, then have your headshot taken and showcased in the lobby where your audience will enter to see your original masterpiece of a play. Come on! Let's put on a show!

FAIRY TALE MASHUPS

ages 5-11

Based on The New York Times bestselling series, "*Whatever After*", see what happens when characters from one fairy tale find themselves mashed up with characters from another fairy tale. Will the story be changed forever? Will everything be messed up by the problems created or will everyone live happily ever after as originally planned? Fun, and full of humor, this is a wonderful way to enjoy the classics we all know and love, while fusing traditional and modern together for an exciting "what if".

FANTASY FUN

ages 5-11

Ever wondered what it would be like to be a unicorn, dragon, mermaid or fairy? Of course you have! Then join us for a week of fun exploring mythical creatures and bringing them to life. Through short plays complete with exciting costumes, we will create a mythical world (perhaps with a Knight and Princess thrown in for good measure!), where fantasy reigns and anything is possible.

MYSTERY MAYHEM

ages 9 and up

Nothing like an old fashioned "who dun it", right? So this week is going to be all about creating an exciting mystery that the audience won't figure out until the very end. So is it going to be about the body found lying on the parlor floor, or the missing necklace from the jewelry box upstairs, or MAYBE it's about the long lost relative who shows up just in time for the reading of Aunt Henrietta's will. Are they really who they claim to be? So many options, and YOU get to be the one to decide. Add in sound effects and costuming for some extra fun!
